**Miracles for Kids Presents – 7<sup>th</sup> Annual Night of Miracles benefit CHOC Hospital and PCRF**  
**Saturday, September 27<sup>th</sup> 6:00 pm St. Regis Resort & Spa, Monarch Beach**

The fabulous St. Regis Resort in Monarch Beach is the setting for the 7<sup>th</sup> Annual Night of Miracles. The event benefits CHOC Hospital and PCRF - Pediatric Cancer Research Foundation, and features sumptuous International Cuisine, wine tasting, DJ and dancing, opportunity drawings, and live and silent auctions. Chaired by: Curtis Green, Brian Cameron, Ken Gerdeu, Len Hamilton, Autumn Strier & Tom Swanecamp.

Since it's inception in 1982, PCRF has raised over \$18 million to fund cutting edge research that leads to medically sound treatment for childhood cancers. Much progress has been made. For instance, childhood leukemia, once almost certainly fatal, now has a 70% survival rate. But the battle is far from over -- cancer continues to afflict more children under 18 years of age each year than any other disease. Miracles for Kids is a non-profit organization based in Orange County whose mission is to improve the lives of kids with cancer and other life-threatening diseases.

Tickets are \$250 pp. Cocktail attire. For more information and tickets call 949.878.5437 email [info@miraclesforkids.org](mailto:info@miraclesforkids.org) or go to the website at [www.miraclesforkids.org](http://www.miraclesforkids.org) or [www.pcrf-kids.com/](http://www.pcrf-kids.com/)
