## GALA DO-GOODERS

With such a heartwarming cause, it's no surprise more than 500 philanthropy-minded guests attended the 10th annual Miracles for Kids gala, benefiting children with cancer and life-threatening illnesses. The chic St. Regis Monarch Beach fête began with a cocktail reception and silent auction, followed by a warm welcome from board of directors chairman Curtis Green. After a three-course French dinner, do-gooders danced the night away to live music by Vegas band The Rat Pack. The lively evening netted the nonprofit an impressive \$750,000 for the kids. —*Alia Batniji*
